

Would you like to give your tax repayment to charity?

If we owe you tax, you can give your repayment to a charity of your choice simply by filling in the short form overleaf. It's an easy way to make a donation – and you can use Gift Aid to increase the value of your gift.

It's done through a scheme called SA Donate and thousands of charities, large and small, are taking part. They each have a special Charity Code and you'll need this to complete the form.

Go to www.hmrc.gov.uk/charities/charities-search.htm or phone us for your charity's code.

Once you've got the code, all you have to do is fill in the form and send it back to us with your tax return. We'll do the rest for you.

You can give all, or just part, of your repayment. You don't need to work out your tax bill to fill in the form – if you don't know how much we owe you, you can either tell us to send the full amount, or just tell us the maximum amount you'd wish to donate. We can never send more than your total repayment. Please read page TRG 23 of the tax return guide before completing this form.

You can use Gift Aid to let your charity claim back the tax you've already paid on your gift. Gift Aid increases the value of your gift by 25% – at no cost to you. You must pay enough Income or Capital Gains Tax this tax year to cover the tax your charity will claim back from us.

To find out more about SA Donate and Gift Aid go to www.hmrc.gov.uk/charities/tax/index.htm
