- Investments and loans within sections 558 and 561 ITA 2007

Approved charitable investments for the purposes of section 543 ITA 2007 are listed in section 558 ITA 2007.

Approved charitable loans for the purposes of section 543 ITA 2007 are listed in section 561 ITA 2007.

Any loan or other investment not specified may be accepted where the charity makes a claim to HM Revenue and Customs Charities for it to be treated as qualifying, and the loan or other investment is made for the benefit of the charity and not for the avoidance of tax (whether by the charity or any other person). If HM Revenue and Customs Charities cannot agree the claim, you have the right of appeal to the First-tier Tribunal (Tax). Go to www.gov.uk/courts-tribunals/first-tier-tribunal-tax

If all investments and loans are approved charitable investments and loans because either:

- they are specified in sections 558 or 561 ITA 2007
 - the charity has either claimed (with this tax return or separately) that they are under section 558 Type 12 or section 561(3)(d) ITA 2007, or is prepared to do so on request
- put an 'X' in this box.

For a claim for approved charitable status to succeed, the loan or investment must be made for the benefit of the charity and not for the avoidance of tax. You should make claims in writing and specify the:

- nature of the item (for example, loans or shares)
- amount
- period
- section of ITA 2007 under which the claim is made

It's helpful if a claim includes full details (for example, the terms of a loan).

- Investments and loans made outside sections 558 and 561 ITA 2007

box 7.38 If the charity has made any investments or loans which do not fall within section 558 or 561 ITA 2007 and no claim is to be made with this tax return, enter the total of such loans or investments in box 7.38.

- Subsidiary companies

box 7.39 Don't include details of companies that were dormant during the period covered by this tax return.

Restriction of relief for non-charitable expenditure

Where a charity incurs non-charitable expenditure, relief under sections 524 to 537 ITA 2007 and section 256 Taxation of Chargeable Gains Act 1992 may not be available. This includes situations where a charity makes non-charitable investments or loans.

The charity should attach a calculation of restriction of relief under section 540 ITA 2007 and send it with this tax return. If you need help with this calculation please phone HM Revenue and Customs Charities on 0300 123 1073.
