This notice requires you by law to send us a tax return giving details of income and disposals of chargeable assets, and any documents we ask for, for the year 6 April 2022 to 5 April 2023. We've sent you this paper form to fill in, but you can also file the tax return online using our internet service (you will need to buy commercial software).

Make sure the tax return, and any documents we ask for, reach us by:

- 31 October 2023 if you want us to calculate the trust's or estate's tax or if you file a paper tax return, or both, or
- 31 January 2024 if you file the return online

Whichever method you choose, the tax return and any documents asked for must reach us by the relevant deadline or we will charge an automatic penalty of $\pounds100$.

If you file online, you have until 31 January to file the tax return and you'll receive an instant on-screen acknowledgement telling you that we've received it. You can still file online even if we've sent you a paper tax return. To file online, go directly to our official website by typing www.gov.uk/taxreturnforms into your internet browser address bar. Do not use a search website to find HMRC services online.

If this return has been issued to you after 31 July 2023, then you must make sure that you fill it in and return it by the later of:

- the relevant dates above, or
- 3 months after the date of issue

Make sure your payment of any tax the trust or estate owes reaches us by 31 January 2024. Otherwise you'll have to pay interest, and possibly a late payment penalty.

We may check the Trust and Estate Tax Return. There are penalties for supplying false or incomplete information.

Calculating the trust's or estate's tax

You can choose to calculate the trust or estate's tax. But if you do not want to, and providing we receive the return by 31 October 2023, we'll work out the tax for you and let you know if there is tax to pay by 31 January 2024.

However, if you file later than 31 October 2023 or 3 months after the date this notice was given, see the Trust and Estate Tax Calculation Guide (sent with this return unless we know you have a tax adviser).

The Trust and Estate Tax Return – your responsibilities

We have sent you pages 1 to 12 of the tax return.

You might need other forms – 'supplementary pages' – if the trust or estate had particular income or capital gains. Use page 3 to check.

You are responsible for sending us a complete and correct return, but we're here to help you get it right.
